

## *Mrs. Meehan's Principal's Corner*

Hello Bywood Friends and Families,

I am unbelievably proud of our third, fourth, and fifth-grade students who worked so hard during the PSSA testing. They really knocked it out of the park! I am also extremely proud of our first and second graders who showed support for our older students by being respectful and responsible. Great job everyone! We are looking forward to our Virtual Night of the Arts event on May 26, 2021, at 6 pm. We are excited to hear our students perform their poems and share their artistic abilities with us. Look for the flyer in our Parent Link emails. We are coming to the end of a wonderful 2020-2021 school year, and I am looking forward to spending these last couple of weeks with our students and celebrating their accomplishments!

Mrs. Meehan

# Classroom Corner

Grab your snorkeling gear and suntan lotion because this month 204 went on a deep sea dive to the Great Barrier Reef to celebrate Earth Day we learned all about sea life and how to protect it.

Miss Gilpin & her students participated in Bywood's Earth Day activity! They were able to work together to help beautify the flower boxes on the playground!

Students in Ms. Pavlicek's second grade class were using noodles to build CVC words to practice their reading!

# Classroom Corner

Mrs. Foley & her class participating in the Earth Day activity on Thursday April 22nd!

Mr. Colasante & Room 209 worked hard on Earth Day to clean up and plant flowers!

## 202-AM COHORT

Miss Prendiville and her students enjoy working and learning together in their cohorts! This year they had a student teacher and they made these collages as a present for her to remember them!  
Good Luck Ms. Ackroyd!

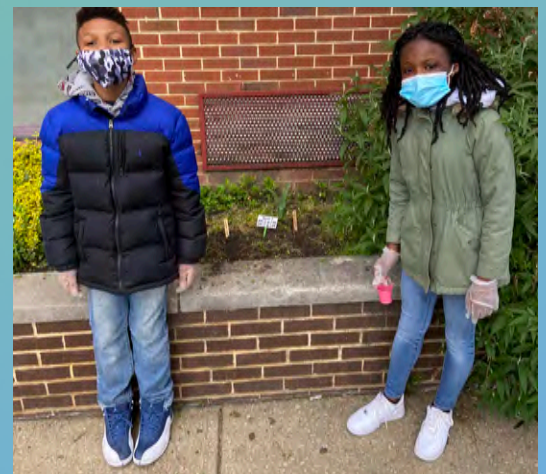

## 202-PM COHORT

On Thursday April 22nd, 2021  
all Bywood classes  
participated in helping to clean  
up the flowerbeds and plant  
new flowers!
