BACK!**

## Mr. McEntee's Principal's Corner

Welcome back to another school year! This is my September Principal's Corner and I hope you enjoy my first edition for the year. I am very impressed with the way our school year has begun. All of our students are adjusting to the routines and procedures of school, and getting exposure to all of the wonderful learning opportunities that are offered at Bywood. Our teachers and students are working extremely hard to set and achieve their goals, and to ensure that everyone achieves their own

individual success. This year we welcomed many new teachers and staff, and I am excited for you to meet them! This is going to be another great year, and I look forward to working with all of you to move our school ahead and strive for continuous improvement. I will be sharing much more information about our school in the upcoming Home and School Meetings and our Title I Information Night in October. Please join us!

“ Together, we can impart a world of understanding into the minds and hearts of every Bywood student.”

**PBIS**

The new school year is off to a great start with implementing all of the new ideas and improvements to our PBIS model. Students are learning about all of the great rewards and incentives we have in place for positive behavior throughout our school. Congratulations to all of the classrooms who earned the Silver Spoon award this month for demonstrating Bywood Banner Behaviors in our cafeteria!

First Grade students are ready to learn!

Teachers are working hard to get to know their students, and students are working hard to learn all of the routines, procedures, and expectations of their teachers. We have had a very busy month, and even more exciting things are coming our way in the next few months. Please be sure to be a part of all of our upcoming events such as our Title One Parent Night, Movie Night, Anti-Bullying Night, and our Home & School Meeting! Pictured below is our first EL Parent session for the year. Our EL teachers, Mrs. Venn, Mrs. Delaney, Mrs. Gali, and our newest member of the team, Mrs. Babylon, are eager to get the year started with information for our parents and families!
