

# The Bobcat Bounce!

## Welcome to Bywood's November Newsletter!

I hope everyone is getting into the swing of things this year and hitting your stride with school and the normal routines. The students and staff are doing some great things at Bywood and we are celebrating the wonderful things that happen here every day. We held our annual Fall Festival Parade, and welcomed parents as well as the BHMS Marching Band. On the academic side, our teachers and students are highly engaged in their work to achieve their individual academic goals and move

our school forward towards improving student achievement. I can honestly say that as I walk around the building, I am truly impressed with what is going on in our classrooms, hallways and common areas. Everyone who visits Bywood is amazed at the things our students, teachers, staff and parents are doing in our building and I am very proud of our school.

This month the PBIS team has been working on which rewards and incentives will be highlighted in the coming weeks. So far, students are earning Bywood Bucks, Recess Cherry Bucks, and the Golden Ticket! Students have the opportunity to be selected as Golden ticket winners for demonstrating positive Bywood Banner Behaviors in the area of Safety, Respect, and Responsibility. These students will then become part of Mr. McEntee's Principal's 200 Club!

Mrs. Francis's third grade students are all smiles as they prepare for Bywood's annual Fall Festival Parade. This year, we held an indoor parade where students lined the hallways and had the opportunity to see all students in each grade level around the school. The rain did not stop the fun!
