## Introducing Miss Delaney

Miss Caitlin Delaney has joined the Charles Kelly teaching staff as a first grade teacher. She taught a Kindergarten Enrichment program for nine years. Not only does she have a teaching degree from West Chester University but also earned her Masters from Neumann College. She lives in Conshohocken with her boyfriend, Ian, and her two cats, Arya and Sansa. Welcome to Charles Kelly!

## PBIS Assembly

At our PBIS (Positive Behavior Intervention Support) assembly, Mrs. Meehan reviewed the three B's- be safe, be respectful and be responsible. Students reviewed the expectations in all areas of school, including the bus. Earning Scholar Dollars and acknowledging positive behavior improves student achievement and their well-being. We are no longer the Kelly Owls that wear green but are now the Kelly Royals. Mrs. Meehan and Mrs. Brown were wearing robes and crowns in our new school colors- purple and gold.

# Back to School Night

Back to School Night is like a family reunion. Teachers enjoy meeting new families and asking past students who are siblings who have graduated what they are now doing. After dinner, Dr. McCarthy introduced all of the teachers and staff, then families visited their scholar's classroom.

# Royal Spirit Day

Introducing the Charles Kelly Royals, where we are all royalty. Purple and gold are now are school colors. Check your student's Wednesday folder to order a new tee shirt for our next Spirit Day.

## Happy Birthday to Dr. McCarthy

Dr. McCarthy celebrated her birthday with a surprise visit from her two sons, Michael and Matthew, and her husband who joined her for lunch.

# Gym Bathroom Doors Painted and Designed by Summer School Artists

During Summer School, the tradition is to paint a mural inside the school but this year was different. The bathroom doors in the gym were the canvases – both inside and out. Thank you to David Mizhquiri for designing them and to everyone else for painting them.

## New Reading Program

*HMH Into Reading™* is differentiated by design to offer balanced approach to literacy instruction, support teachers in developing a culture of learning and growth, and help all learners believe in the power of “I can.” Pictured to the left is Miss Daly who is instructing her students.
