Winter Concert at Beverly Hills

Congratulations to all of the chorus, band and orchestra members for their amazing performance at the winter concert. In the morning they performed at school but in the evening, they dazzled us all at the Beverly Hills Middle School's Brad Schoener Auditorium. This was the first time having our concert at Beverly Hills and we look forward to continuing this event where the acoustics are fabulous and the seating is plentiful.

She was the very first Student Council President here at Charles Kelly when it first opened in 2000. She was also the President to the Upper Darby High School Student Council too when she was a senior. She is currently a student at University of Pittsburgh and in her third year in pre-Med. Thank you Blya for taking the time to visit.
