# Fluency Night for Reading and Math

On October 14<sup>th</sup>, an in-person workshop for families provided fun hands- on strategies to support student learning at home. What is fluency? Fluency is the ability to easily and accurately speak, read, write, and express ideas. The workshop was for reading and math fluency.

# First Grade Painting in the Art Room

In the Art room, first grade artists from Mrs. Cunningham's room followed the routines for painting. Creating straight lines with a ruler is just one of the many skills learned. Sharing paint, respecting the supplies and others, and cleaning up creates a learning environment where students can thrive. Mrs. Roberts, the art teacher, is excited to see what these artists will create next!
