Literacy Night

Parents received materials and activities to use with their child at home.

Teachers presented literacy information to parents.

Congratulations to the students that demonstrated fairness. We are so proud of you.

UDKC developed an ear for percussion and expanded their knowledge of music when they were entertained by Musicopia and The Leon Bucket Drumming Trio. Students and teachers were encouraged to perform and show off their drumming skills!

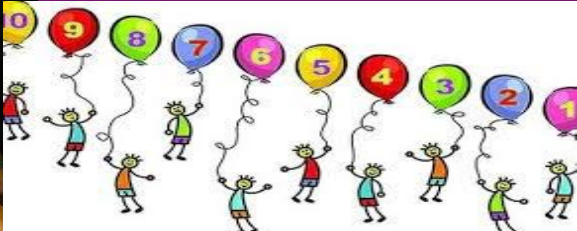

February Home And School Meeting

Teachers shared engaging math activities with the kindergarten parents. Everyone had a great time learning that math is all around us! Parents also received materials to use with their child at home.

We are 100 days smarter!

Happy
