February  
15<sup>th</sup> and  
Monday,  
February  
18th**      **School Closed**  
Teacher In-Service Day  
and President's Day  
Holiday

Friday, December 21, 2018 was a special day for the students of The Upper Darby Kindergarten Center. We celebrated the season of winter with Polar Pajama Day!

The students welcomed winter in style by wearing their pajamas to school and enjoyed a fun filled with a wonderful winter sing-a-long, which included, *The First Snowball of the Season*, *The Rhythm of the Season*, *Snowman Jump*, and other seasonal favorites.

## Koalas

### Get to Know Our Mascot

- Koalas are not bears. They are MARSUPIALS, which means that they carry their young in a pouch.
- Koalas have two thumbs on their front paws - to help them climb, to hold onto the tree and to grip their food.
- Koalas are mostly NOCTURNAL animals. This means that they sleep in the daytime, and move around and feed at night.
