A Message From Our Assistant Principal: Mr. Galligan

Dear UDKC Families,

April has been full of fun, celebration, and meaningful moments here at the Kindergarten Center!

April Fools' Day Fun

Some of our classrooms got in on the April Fools' Day spirit with silly surprises and creative pranks! It was heartwarming to see the students and staff enjoying the day with so much laughter and excitement.

World Autism Awareness Day

Thank you to everyone who participated in World Autism Awareness Day. It was inspiring to see our students and staff come together in a sea of blue to show their support and spread awareness. Your kindness and unity continue to make our school community shine.

Spring Picture Day

Our students looked absolutely amazing for Spring Picture Day! Their smiles truly lit up the building. If your child missed picture day or you'd like a retake, Retake Day will be Friday, April 24th. On that same day, we'll also be taking whole class photos with teachers and classmates, so be sure your child is picture-ready!

Assistant Principal Appreciation Week

I want to extend a heartfelt thank you to our incredible students, faculty, and staff for making Assistant Principal Week so special. I'm truly honored to serve alongside Mrs. Anna Marie DiLossi and to be part of such a dedicated and caring school community.

Thank You to KPMG & Dr. Matt Downing

A huge thank you to Dr. Matt Downing, Supervisor of Elementary Instructional Technology, for inviting representatives from KPMG to visit our school. Their time spent reading with our students was truly appreciated. We are grateful for their generosity and for choosing to give back to our school. The students had a fantastic time!

As always, thank you for your continued support and partnership in your child's education. We're looking forward to even more exciting events as we head deeper into the spring season!

Warm regards,

James Galligan
Assistant Principal
Upper Darby Kindergarten Center

Important Dates

Spring Break: Schools Closed
April 14th to April 18th

Wednesday, May 7th
Early Dismissal
AM Session: 8:40-10:10
PM Session: 11:10-12:40

Autism Awareness Day

Autism Awareness Day is a special day to help young children understand and celebrate differences in others. The day encourages acceptance, empathy, and friendship, teaching children that everyone is unique and deserves to be treated with respect.

Breathe In, Breath Out 😊

Mrs. Shaw, our school guidance counselor, taught our students how to calm their bodies and practice their belly breathing!

Little Pig, Little Pig, Let Me Come In 🐷

Kindergarten students in their ELL class participated in a unit about the Three Little Pigs. At the end of the unit, students designed their own house to stand up against the big bad wolf! This activity incorporated all four domains of listening, speaking, writing, and reading!

Has Spring, Sprung? 🌸

Students in Mrs. Bonhage's class took a trip outside to see if they could find any signs of spring!

Sharing A Love For Reading 📖

Students had some special visitors who gifted them free books to bring home with them!

Assistant Principal Appreciation Week 🏆

Students, teachers, and staff couldn't wait to celebrate their favorite Assistant Principal!
