Time For Long Sleeves & Autumn Leaves

From turkey hats to scavenger hunts, the students at the Kindergarten Center participated in a variety of autumn activities!

Today's story is brought to you by...

Various staff and administrators took time to read a story to our kindergarten students! When school leaders and personnel take time to read aloud to young students, they not only model literacy skills but also show their commitment to creating a nurturing and supportive learning environment. This simple yet meaningful gesture can inspire curiosity, spark imagination, and make children feel valued and encouraged on their educational journey.

Happy Birthday Principal DiLossi 🎂

The Kindergarten Center students and staff came together to shout a big HAPPY BIRTHDAY to Principal DiLossi!
