AM: 8:40 am to 10:10 am

PM: 11:10 am to 12:40 pm

FUNdations

In a lively kindergarten classroom, the air is filled with laughter and creativity as a group of eager students gathers around a colorful table adorned with vibrant containers of Play-Doh. Today's activity is all about using this squishy, moldable material to explore the world of letters. In another class, students use their markers and whiteboards to write the letters they have learned so far, using the sky line ☀️, plane line ✈️, grass line 🌱, and worm line 🐛!

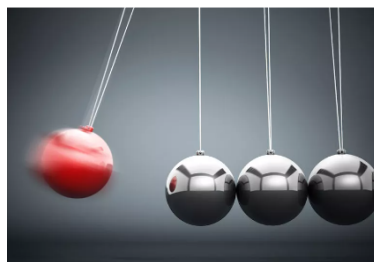

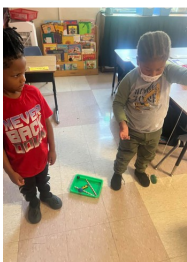

Science Exploration 🤔

In a bustling kindergarten classroom, the excitement is palpable as Mrs. Cloud announces a new science lesson to her Room 308 students: "Today, we're going to learn about objects in motion!"

The children's eyes widen with curiosity, and they can't wait to explore the fascinating world of movement.

Happy Birthday Mr. Galligan! 🎂

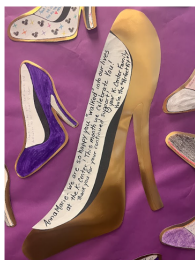

Students and staff celebrated Mr. Galligan's Birthday on Friday, October 4th! They sang happy birthday and gave him a Phillies inspired gift basket!

Principal Appreciation Week

Principal Appreciation Week is a special time dedicated to recognizing and celebrating the vital role that school principals play in shaping the educational experience. These leaders inspire both students and teachers, fostering a positive learning environment and promoting growth and achievement.

We want to thank Principal DiLossi for *stepping* into the role as Principal of the Upper Darby Kindergarten Center!
