

GARRETTFORD'S PBIS

YEAR IN REVIEW 2023-2024

Positive Behaviors Interventions and Supports PBIS

A note from Administration:

Happy Summer Royals!

We have had a fantastic year at Garrettford with many opportunities for Positive Behavior! Positive Behavioral Interventions and Supports (PBIS) is an evidence-based, tiered framework for supporting students' behavioral, academic, social, emotional, and mental health. When implemented with fidelity, PBIS improves social emotional competence, academic success, and school climate. It also improves teacher health and wellbeing. It is a way to create positive, predictable, equitable and safe learning environments where everyone thrives. We wanted to share a few of our school highlights and successes from this year. Please be sure to look out for more information coming soon about the 24-25 school year!

PBIS Fundraiser

At the start of this school year, our PBIS team collaborated on a school-wide fundraiser to raise funds for our PBIS initiatives. Students could purchase pieces of tape and secure principal Brydges to the gym wall! We sold over 700 pieces of tape which really stuck Mr. Brydges! Students and staff had a great time and MR. Brydges was a great sport through it all.

Pie a Teacher!

ROYAL ROUNDUP

As a culmination to our monthly Student of the Month Assemblies, this passed June we had a raffle to select students who have demonstrated positive behavior all year. Students who were randomly selected had the opportunity to pie a teacher of their choice! Teachers and students had a great time and were very excited to join in on the fun!
