BE RESPECTFUL

BE RESPONSIBLE

BE SAFE

Stonehurst is all about following the 3'B's. We started out the year with a school wide assembly reviewing the rules and expectations of our school in and out of the classroom. Every rule was explained and exemplified by student led skits. Students were attentive, answered questions, and were able to explain the reasoning of why these expectations are important.

Stonehurst Hills' kicked off the winter break with a Schoolwide Spelling Bee!

The Schoolwide Spelling Bee was truly a success. Each classroom had a spelling bee to find the top winner of class. Students practiced diligently. The top winners all participated in the school-wide bee. Big Thanks to Principal Beauford and Ms. Wormley for planning, coordinating, and facilitating the event. The 1st place winner is Andrew Khov and 2nd place winner, Israel Crenshaw, who are both 4th graders will be going to compete at the Delaware County Intermediate Unit's Spelling Bee! We are so proud of them and all the other students that participated in the class' and school-wide bees.
