Be Safe

Be Respectful

Be Responsible

Congratulations to all the fourth and fifth reading olympians who read multiple books, met weekly, and diligently took quizzes. This week, all the hard work paid off when the Royal Readers participated in the DCIU's Reading Olympics. Both teams earned white ribbons. Mrs. Signore is so proud of all their hard work.

March Student of the Month

Congratulations to this month's student of the month recipients! All of these students did a fantastic job being "Hard working" in school. The theme for next month's student of the month is "Cooperation."

The following students received the award for student of the month. In **first grade** in Mrs. Gornizky's class Mariam Sadiqa , in Ms. Bowden's class Gursirat Kaur, and in Mrs. Morre's class MD Amirul Hasan. In **second grade** in Mr. Kelly's class Dylan Zhingre, in Mrs. Valori's class Rabeya Rahman, and in Miss Carroll's class Mohammad Tawhid. In **third grade** in Mr. Singleton's class Tajrian Fayha and in Miss Tabassum's classes Jannat Gaffar.

In **fourth grade** in Mr. Dougherty's class Nevaeh Eshiet, in Mr. Schorza's class Maimuna Zannat, in Miss Manning's class Rakib Ahmed, and in Mrs. Bradley's class Harpreet Singh. In **fifth grade** in Ms. Henry's class Sara Jannat, and in Miss Lance's class Nuzhat Shraha.

In Mr. LaBonde's **music** class Vaibhav Saddi, in Mrs. Han's **art** class Fajar Mahmoud, in Mrs. Signore's **library** class Jennah Gunter, and in Mrs. Longo's **PE** class Anderson Cifuentes. Mr. Russell recognized Maimoona Samad Fariha. In **orchestra** Ms. Nelson recognized Gabriella Odia for her hard work.

Mr. Dougherty's fourth grade class had an outdoor lesson with Riverbend Environmental Education Center. Students worked with an environmental educator to identify pervious & impervious surfaces, and learned how they impact the watershed that we live in.

Ms. Henry's fifth grade class worked in groups to create Ecocolumns. First, they set up a terrarium which included live plants, live millipedes (a few escaped) and pill bugs. Then they set up an aquarium complete with water plants, guppies, and snails. They joined the two to make an Ecocolumn to represent how land and water interact with each other.
