

## October Happenings

Jaskerat, a former Senkow student and current Temple University student visits 5th Grade EL students. She has set her sights on being a pediatrician. Mrs. Hovey and Mrs. Drager are proud of all their current and former EL students.

**Be Safe**

**Be Respectful**

**Be Responsible**

### Dr. Pugliese Principal's Message

Thanks to everyone for working hard to be **SAFE**. We recently recognized students who did an **AMAZING** job of being safe. See the picture on the next page of our award winners. We encourage everyone to continue being safe and remember to focus on being **RESPONSIBLE** in November.

**Book Fair Community Night -**  
**Wednesday**  
**November 16th from 5-7:30pm**

# Senkow's Students of the Month AWARDS for Showing SAFETY and RESPECT.

4th graders (in Ms. Bradley's class) are making stream trays to learn how the Grand Canyon was formed. We did multiple experiments in which we looked at weathering and erosion. We not only did experiments with erosion from water but wind as well.

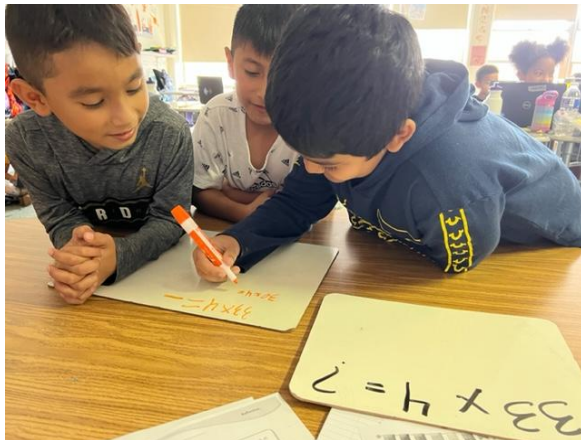

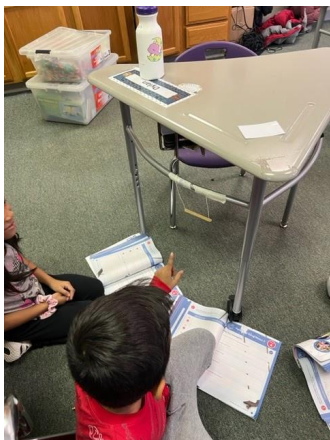

The 4th Grade visited the John Heinz National Wildlife Refuge at Tinicum

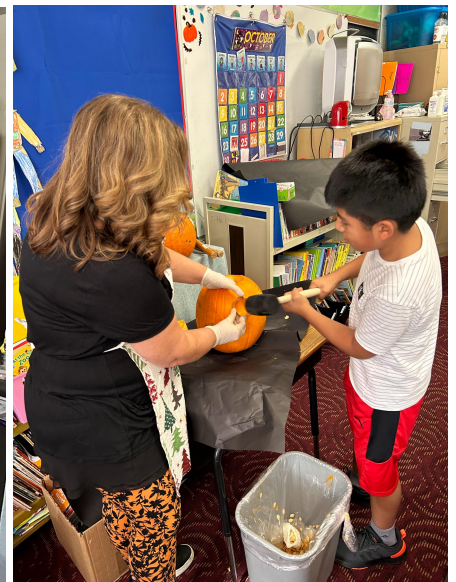

Third Grade students in Ms. Zeplin's class made observations of different types of forces, pushes and pulls on the playground. Students also tested patterns in motion by creating models of swings. They are working hard on multiplication.

Fall Festival: ELL students at Senkow are making Jack-o-lanterns using cookie cutters and mallets.

Mr. Papageorge, King Papageorge, lends a hand teaching a small group reading class.

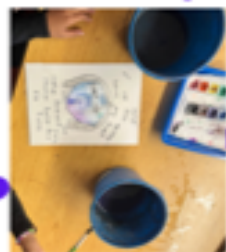

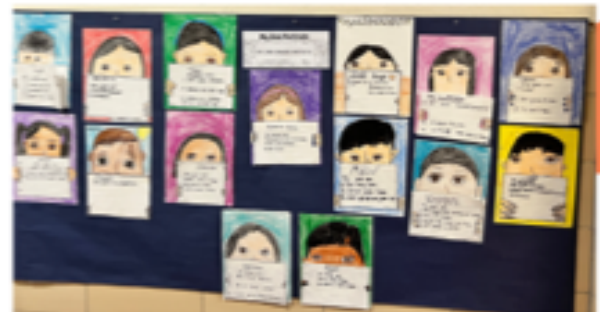

## Learning for October

- 4th and 5th-grade students finished their "Wonder Portrait." They learned to use "text" to create designs on the background. While most students chose to use adjectives to describe their personality, Some wrote stories about themselves.
- 3rd grade completed their goal portrait. They wrote their goals for this year, and learn how to draw the hair and eyes.
- 2nd grade learned about lines and used lines to tell stories about their daily lives.
- 1st grade learned about art room procedures. They use scented markers to practice different kinds of lines.
- 1st and 2nd grade read a book about Dinosaur and drew dinosaur with a city.
- We also celebrated Diwali and made flowers for Mrs. Longo, our lovely PE teacher!

### Wonder Portrait

### Goal Portrait

## Take a Line for a walk by 2nd grade

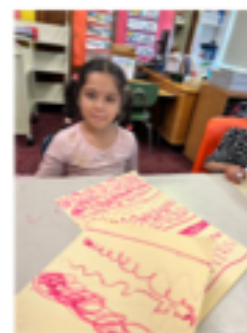

## Line Practice 1st grade

## Flowers for Mrs. Longo by 3rd Grade

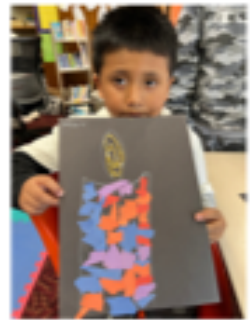

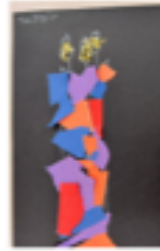

- 3rd Grade classes made flowers for our PE teacher, Mrs. Longo.

**Diwali Celebration  
by 1st and 2nd grade**

**If the Dinosaurs come back  
by 2nd grade**
