Congratulations To the Class of 2020

Although the end of our journey did not end as we anticipated, it is important to remember every curve in the road we have made it through. You are such a special group of young adults. Each and every one of you should be proud of what you accomplished. Realize this is not the end, but the beginning. The places you will go, what you do and who you become is now your choice. Take what you have learned here at Upper Darby High School and go out there and be the best you can be!

To say that we will miss you is an understatement, we can not wait to see what you accomplish. Good luck!
