## Upper Darby Counselor Publishes Article

### Becky VanderMeulen Writes Article for Professional Publication

Congratulations to Sophomore Counselor Rebecca "Becky" VanderMeulen, who published an article entitled "Post-COVID College Readiness" in the publication "Link for Counselors." Becky, who previously worked as a journalist, covers how the COVID pandemic affected student readiness for college, and offers tips for counselors to help students adjust. To read the complete article, please click on the link below.

## UDHS Volleyball "Digs Pink" for Breast Cancer Research

The Upper Darby Royals Volleyball team celebrated "Dig Pink" night for breast cancer research, wearing t-shirts showing their support, and also decorating the gym with pink balloons and supportive messages. Even better, the junior varsity and varsity teams both picked up wins!
