School Calendar 2020-2021 (Subject to Change)

All dates, including final exams, graduation, and the last day of school, are subject to change based on weather (or COVID-19 guidelines and recommendations for social distancing at public indoor/outdoor events). If the school closure extends or transitions from a virtual model to a flexible learning model, the rescheduling of events will need to be determined by the administration, the availability of locations, the availability of vendors, and all parties involved. Upper Darby School District does not build in “snow days” into the board approved school calendar. All days lost to
weather emergencies will extend the school year in June. Therefore it is not recommended to plan family trips, senior week travel, graduation parties, etc. during the week of June 11th as the school year may be extended.

**PSAT/Keystone Testing Schedule**

We will be administering the PSAT and Keystone Exams—more information to come.

**General Information**

**Admission Policy**
The Upper Darby School District enrolls school-age students eligible to attend District schools, per applicable laws and regulations, Board policy, and administrative regulations. The entire policy can be accessed from the District website.

**Address or Telephone Number Changes**
If, at any time after the beginning of the school year, your home address changes, you must contact Central Registration by clicking [https://www.upperdarbysd.org/Page/3000](https://www.upperdarbysd.org/Page/3000). If any of your telephone number(s) change, you must inform your grade level center. This is essential for handling emergencies.

**The following attendance/absence/lateness procedure reflects a virtual-only setting. If the district were to move to a hybrid or in-person model, procedures would be modified.**

**Attendance/Absence/Lateness of Pupils**
The Upper Darby High School follows the Upper Darby School District Policy 204 for Attendance. A child absent from school must present an electronic excuse stating the reason for the absence. Student absences will be deemed as truant unless the written UDHS Attendance note has been received. Excusals must be submitted within three (3) school days. Failure to provide a written excusal within (3) three days, will result in permanent truancy for the absences.

During synchronous virtual instruction, attendance will be taken in each course the student attends. Attendance is based upon a student logging into his/her course via the approved virtual platform such as Zoom, Google Classroom or Schoology.

A maximum of ten (10) days of cumulative lawful absences verified by parental notification shall be permitted during a school year. Excusal beyond ten (10) cumulative lawful absences shall require submission by the parent/guardian of the [Upper Darby School District Explanation of Excessive Absence form](https://www.upperdarbysd.org/Page/3000) or shall require an excuse from a licensed physician.

It is the policy of the Upper Darby School District to excuse pupils from school if their religious affiliation requires them to observe a holiday. Legal excusal will be granted on electronic request from
the parent or guardian of the pupil involved. Parents are asked to submit such requests before the excused day.

Absences must be reported ELECTRONICALLY via email; please use your child’s grade followed immediately by udhs-attendance@upperdarbysd.org
i.e., your child is in 9th grade for the 2020-21 school year email:
9udhs-attendance@upperdarbysd.org

For additional information, please review the UDSD Attendance Policy 204 on the District website.

**Early Excusal/Dismissal from School**
A student may be dismissed before the close of the school day only for urgent reasons, such as medical and dental treatments, or other reasons for the student’s welfare. However, the principal or designee has the discretion to determine which are special and justifiable requests and has the authority to act accordingly.

For planned early dismissals, a parent/guardian must send an e-mail to the grade level center prior to the date/time of the early dismissal.

**Bullying/Cyber Bullying Policy**
The Upper Darby School District is committed to providing a safe, positive learning environment for District students. Bullying creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning, and may lead to more serious violence. Therefore, bullying is prohibited by District students.

Bullying means an intentional electronic, written, verbal or physical act or series of acts directed at another student or student, which occurs in a school setting and/or outside a school setting, which is severe, persistent, or pervasive and has the effect of doing any of the following:

1. Substantial interference with a student’s education.
2. Creation of a threatening environment.
3. Substantial disruption of the orderly operation of the school.

Bullying, as defined in this policy, includes cyberbullying. A school setting means in the school, on school grounds, in school vehicles, at a designated bus stop or any activity sponsored, supervised or sanctioned by the school.

The Board prohibits all forms of bullying by district students. The Board encourages students who have been bullied to report such incidents to the building principal or designee promptly. The Board directs that complaints of bullying shall be investigated promptly, and corrective action shall be taken when allegations are verified. Confidentiality of all parties shall be maintained, consistent with the district’s legal and investigative obligations. No reprisals or retaliation shall occur as a result of good faith reports of bullying. The policy, in its entirety, can be accessed from the District website.

**Creative Work, Internet, Television, Publications & Bulletin Boards Notice**
The District may share your child’s writing with his/her peers for instructional purposes. Additionally, we would like to share appropriate pieces with the teaching staff for use in professional development. Student work, including but not limited to writing, art, and other projects, may be submitted to
District-wide and/or outside contests.

We use bulletin boards, banners, publications, television, social media, Schoology, and the Internet as tools to keep parents informed and to allow the community to see the excellent programs, activities, and education Upper Darby has to offer. We would like to recognize student achievement and highlight District programs and activities in the District’s publications, on the District’s social media accounts, the district’s television channel, and on the District’s website. Students’ pictures and/or work, including identifying information, may be posted on the UDSD website and cable channel or may be used in any of the District’s publications. We may also like to share appropriate work and pictures with local print publications and television networks.

Any objection to the use of your child’s photo or work for the above-described reasons must be submitted in writing annually to your school’s principal.

**Delaware County Community College (DCCC) Advancement Programs**

Students may participate in an opportunity to take college courses at Delaware County Community College (DCCC). Students may graduate from high school with college courses on their transcript and start a college program with fewer required courses and lower tuition costs. Students may take classes at UDHS in the morning and then one or two classes at DCCC for one or both semesters. If you are interested and want to take advantage of dual high school and college credit, please contact your counselor for more information regarding graduation requirements.

**Electronic Devices Policy**

The use of electronic communication devices, including personal electronic communication devices, by district students during instructional time is restricted unless authorized by the teacher. The district is not responsible for restricting, monitoring, or controlling the personal electronic communications of students; however, it reserves the right to do so. The policy, in its entirety, can be accessed from the District’s website.

**Health Services/Drugs and Medication - (Only applicable when students access the building in either a flexible or brick and mortar instructional model. This is not applicable in an all-virtual environment.)**

The Board shall not be responsible for the diagnosis and treatment of student illness. Parents/Guardians are encouraged to administer medication before or after school hours. The administration of prescribed medication to a student during school hours in accordance with the direction of a parent/guardian and family physician would be permitted only when failure to take such medicine would jeopardize the health of the student and/or the student would not be able to attend school if the medicine were not available during school hours.

Before any medication may be administered to or by any student during school hours, the Board shall require the written request of the parent/guardian, by completing the appropriate form, giving permission for such administration and relieving the Board and its employees of liability for the administration of medication, and the written order of a licensed prescribing physician, which shall include the student’s name, date, name of medication, dosage, time at which or special circumstances under which the medication shall be administered, length of period for which medication is prescribed, all other medications are taken, physician’s signature, and office telephone number.

When medication is to be administered in school, by school personnel, the
following procedures shall be followed:

1. An "UDSD Medication Procedure" form (B-816) or a physician’s note must be completed and signed. The written request for administration of a specific medication should include the date, student's name, diagnosis, medication, dosage, how administered, time schedule, and length of time to be administered in school, possible side effects or contraindications, any curtailment of school activity, other medication prescribed by a physician, physician's signature, telephone number, and address.

2. Parental or guardian written request and authorization to give each specific medication must accompany the physician's written request/approval.

3. Medication must be in the original, labeled pharmacy container with the student name, medication, dose, time interval written on the label — with physician's name, date of prescription, and name and telephone number of the pharmacy.

4. Medication should be delivered to the school nurse and administered to the student by the school nurse or designee.

5. Parents may come to school to administer medication to their children if they prefer.

6. No school personnel shall administer prescribed injections to any pupil except those pupils who require emergency medication.

The policy in its entirety can be accessed from the District website linked below:
https://go.boarddocs.com/pa/udar/Board.nsf/Public?open&id=policies#

A parent wishing to administer an injection to his/her child shall administer such injection at home or come to the school and administer it.

The Upper Darby School District does permit students to possess asthma inhalers and to self-administer the prescribed medication used to treat asthma when it is authorized by the student’s parent/guardian and physician. The policy in its entirety can be accessed from the District website. https://go.boarddocs.com/pa/udar/Board.nsf/Public?open&id=policies#

The Health Suite is staffed by registered/certified nurses. The school's nurses provide acute health care for students, perform mandated assessments, and provide ongoing health counseling for students and staff. In order to keep students’ requests to visit the Health Suite to a minimum, the following guidelines are to be observed:

For minor injuries and non-emergency illnesses such as colds, sore throats, nausea, and cramps, students will visit the Health Suite during their lunchtime to prevent missing instructional time during class.

Emergencies occurring in school will be seen anytime. These include:

1. Accidents and injuries occurring during school hours
2. Bleeding or respiratory distress
3. Fainting, vomiting, seizures

In cases of an acute emergency, a parent is notified, and the student is transported to the nearest hospital. When a student needs to be sent home because of illness/injury, a parent must come for the student or send another responsible person.
Accidents and injuries occurring at home are not emergencies and must be dealt with by a parent/guardian. Routine health care is the family’s responsibility. Please provide physician documentation for any medical conditions of which the school nurse should be aware.

The nurses’ office does not supply any medication. A student may bring in their own medication to be kept in the Health Suite accompanied by proper documentation for the current school year from a physician and parent (Form B-816 Authorization for Medication Administration in School is available in the Health Suite or on the website and should be completed). All medication taken during school hours MUST be kept in the Health Suite. Students must carry inhalers, EpiPens, or insulin provided the Health Suite has documentation on file each year from both the student’s physician and parent. All unused medication will be disposed of at the end of the school year if not picked up by the parent/guardian/responsible person.

Students must have a student hall pass and current emergency information on file to be permitted to enter the Health Suite and be treated.

State rules and regulations require that all 11th-grade students must have a physical exam. It is the student’s responsibility to provide documentation to the school nurse. The policy, in its entirety, can be accessed from the District website.

Medical Homebound
Medical Homebound instruction is available to Upper Darby students in the event of an excused medical absence as defined under the rules established by the Pennsylvania Department of Education. Please contact your child’s guidance counselor in the event of a prolonged medical absence.

Information Technology Acceptable Use Policy of Internet, Computer and Network Resources
The use of the Internet and the Intranet is permitted exclusively for the support of education and research, which is consistent with the purposes, policies, and procedures of the Upper Darby School District. Any other uses of either the Internet or the Intranet are prohibited.

All users of both the Internet and the Intranet, including students and employees, are responsible for damages to equipment, systems, and/or software resulting from neglectful, deliberate, and willful acts. Failure to follow all Upper Darby School District Policies and Procedures may result in loss of access to the Internet and/or Intranet, the imposition of appropriate disciplinary procedures, and/or civil and/or criminal prosecution.

Please review the UDSD Policy 815 Information Technology Acceptable Use Policy for Students of the Internet, Computer, and Network Resources on the district website.

Library
(Only applicable when students access the building in either a flexible or brick and mortar instructional model. This is not applicable in an all-virtual environment.)

Students are encouraged to use the library. The librarians are available to assist students on a regular basis. The library is open Monday to Thursday from 7:20 a.m. to 5:30 p.m., and Friday 7:20 a.m. to 4:00 p.m. Students must present an ID to enter the library, use the Internet, or check out a book. Students can obtain a library pass from the library before homeroom to come to the library.
during lunch. In the event consistently needs to have a “Library Lunch,” it will need to be built into his/her schedule. An attendance list will be monitored by Library staff. Books are circulated for three weeks and may be renewed. Reference Books may be borrowed overnight or for the weekend. Students can find print materials by using the OPAC (electronic card catalog).

**Procedure for students to access the Library from Study Hall**

In the morning, students must report to the library to sign up for their specific block/period. Library staff will direct the student to sign a sheet indicating the block/period that they will be attending. Library staff will provide a pass for the student listing the block/period that the student will report. The student will report to their scheduled study hall, show the teacher the pass. The teacher will sign the pass and indicate the time. The student will use the pass to report to the library. Library staff will check the student in, making sure that the teacher has signed the pass. Library staff would dispose of the passes and report to the grade level Lead Teacher if the student did not report to the library.

Access to reliable and current information is available via the library’s magazine and newspaper subscriptions as well as via electronic databases such as Gale Net, SIRS, and Ebsco. Students may use the Internet for class assignments. Students may use the library printers to print for academic or college and career readiness items, i.e., SAT login tickets, job applications, etc. Printing privileges may be revoked if abused. Graphics or pictures may be printed by special arrangement with the librarian. Rules for Internet usage are posted in the library and can be found in this handbook. The library has coin-operated copy machines.

Students in the library are expected to maintain an academic environment. No more than four students may sit at any one table, and students must remain in their seats until the bell rings. We reserve the right to deny library privileges to students who may disrupt the tone of the library.

**Lockers**

*(Only applicable when students access the building in either a flexible or brick and mortar instructional model. This is not applicable in an all-virtual environment.)*

The use, care, and security of the assigned locker will be the responsibility of the student. Please be advised that the District is not responsible for articles lost or stolen. Students are not permitted to share lockers and must keep lockers locked at all times.

All students are provided a padlock at the beginning of the school year. Students must use the school-provided padlock. Outside locks will be removed, and students will be charged a replacement fee. All lost padlocks will require a $6 replacement fee. Obligations will be written for locks not returned at the end of the school year. Store-bought replacement locks will not be accepted as a substitute.

Report locker problems to the Center Secretary; please have your ID with you. Students will not be given access to, or information regarding another student’s locker as sharing lockers is not permitted.
Please note: Students do not have a right to a private school locker. Use of a locker is a privilege, and students are permitted or “licensed” to use a designated locker.

**Lockers for Physical Education**  
*(Only applicable when students access the building in either a flexible or brick and mortar instructional model. This is not applicable in an all-virtual environment.)*

Padlocks are not provided for gym lockers. Students should provide their own locks to protect their belongings during gym class. Locks should be removed after each class. Please be advised that the District is not responsible for articles lost or stolen.

**Lost and Found**  
*(Only applicable when students access the building in either a flexible or brick and mortar instructional model. This is not applicable in an all-virtual environment.)*

The Lost and Found are located in the Security Office. Articles of value should be placed in an envelope marked with the date and finder’s name. If the article is unclaimed after two weeks, it will be returned to the finder.

**Medical Excuses From Physical Education**

Any exclusion from the requirements of physical education requires a doctor’s order, specifying the duration of the medical removal from class. Students identified as having long-term disabilities may, on their doctor’s recommendation, be placed in the Contract PE course.

**Fundraising Projects**

All fundraising activities, connected to a school-sponsored club or activity, require pre-approval from the school administration. Faculty advisors for the club/team must submit the Fundraiser pre-approval form to the administrator responsible for implementing the fundraiser policy. Any sale conducted without pre-approval will be immediately closed, and an investigation will be conducted. Please review the [UDSD Policy 229- Student Fundraising](#) on the district website.

**Obligations**

Obligations include textbooks, uniforms, locks, etc. and may prevent a student from participating in a school-based event. Obligations are carried over from previous years and will need to be paid in cash.

**Returned Bank Checks**

The School District’s depository bank charges a $35.00 fee for returned checks. If a check received from a student/parent is returned for any reason, the $35.00 fee becomes an obligation of the student.

**Scholarships**

A complete list of scholarship assistance and detailed directions for making an application will be made available to interested seniors at a January assembly. Other scholarships are advertised in the Senior Center and senior homerooms throughout the school year. Applications can be found in the Career Center.
**Sex-Based Discrimination**
The Upper Darby School District is an equal opportunity education institution and will not discriminate on the basis of race, color, national origin, sex, disability, or limited English proficiency in its activities, programs or employment practices as required by Title VI, Title IX, and Section 504. All concerns regarding discrimination should be directed to:

**Snow Days/Emergency Closings**
All changes to the school schedule due to inclement weather/emergencies are announced by a global message system, an update to the district website (www.upperdarbysd.org), and the school closure identification number #452. When the Upper Darby School District is to be opened two hours late, all bus schedules will be adjusted accordingly.

**Student Rights Policy**
The Upper Darby School District offers notice that all instructional materials, including teachers’ manuals, audiovisuals, and other supplementary instructional material used in the instructional program shall be available for inspection by the parents/guardians of students in accordance with Board policy. Please review the [UDSD Policy 105.1- Review of Instructional Materials by Parents/Guardians and Students](#) on the District website.

**Student Wellness Policy**
The Upper Darby School District recognizes that student wellness and proper nutrition are related to students' physical well being, growth, development, and readiness to learn. The District is committed to providing a school environment that promotes student wellness, proper nutrition, nutrition education, and regular physical activity as part of the total learning experience. Please review [UDSD Policy 246- School Wellness](#) on the District website.

**Textbooks**
It is the student’s responsibility to return textbooks to the teacher who issued the textbook. Students are responsible for the replacement and/or damage costs of their textbooks. An obligation will be issued for any books not returned by the end of the course. Obligations in this form follow students throughout their high school career and may prevent a student from participating in school-based activities.

**Trespassing**
The buildings and grounds of the Upper Darby High School are intended solely for the use of students, faculty, and staff engaged in regularly scheduled classes and approved extra-curricular activities. The buildings and grounds are closed to the public except for visitors, who are properly...
registered with the Principal’s Office through the Information Desk, and those engaged in activities pre-approved by the Board of School Directors or Department of Recreation. Students who are not affiliated with an appropriate school designated activity are not to loiter in the school building or on school grounds no more than ten minutes after the end of their scheduled school day (including students with a scheduled early dismissal). Suspended students are not permitted on school grounds during their suspension period. Trespassers may be referred to law enforcement.

**Visitors**
All visitors must report to the Security Desk at the main entrance of the high school and secure a pass. Visitors may only visit designated areas listed on their pass. Anyone found in the building without a visitor’s pass would be considered trespassing. If/when visitors access the building in a virtual instructional model, all visitors must adhere to the health guidelines outlined in our district health plan, including the wearing of masks until further notice. [Link to District Health Plan]

**Withdrawal From School**
Students are required to attend school until the age of 17. Students who wish to withdraw at age 17 are required to provide written permission from their parents/guardians. All students transferring from or dropping out of school must do so through the Office of the Registrar. All school property must be returned, and signatures of all teachers must be recorded on the withdrawal form before a transfer slip will be issued or records forwarded. Please review [UDSD Policy 208 – Withdrawal from School](#) on the District website.

**Working Papers**
You must be a resident of Upper Darby School District, which includes Upper Darby Township and the boroughs of Clifton Heights and Millbourne, in order to obtain working papers through Upper Darby High School. The process for obtaining working papers has been transitioned to an electronic process; all information can be found on the district website. All applicants will need to download and complete the electronic Work Permit application from the PDE website, linked on the district website. All applications need to be submitted to: [workingpapersrequest@upperdarbysd.org](mailto:workingpapersrequest@upperdarbysd.org). All documents can be scanned and uploaded to your application.

**Course Selection**
In the spring, a Course Request Letter will be mailed to parents. [The Course Selection Guide](#) can be found on the high school website. The student, parent, and guidance counselor will be required to review the student’s course selection card, as an indication of the cooperative effort in rostering. Students are placed into academic levels based on ability as indicated on standardized test scores and input from teachers, parents, and guidance counselors. **Please note: Parent or student requests for specific teachers will not be honored.**

No student will be denied access to courses offered at Upper Darby High School because of race, gender, physical handicap, religion, national origin, ancestry, or culture.

Courses should be selected carefully. Changes in scheduling will only be permitted by the date outlined in the scheduling timeline, which will be made available each spring.
Students who would like to withdrawal from a class prior to the WP/WF deadline must first meet with their counselor and Assistant Principal. Parent/guardian permission and approval by the Assistant Principal is required. Scheduling of another course will be at the discretion of the Assistant Principal.

If a course is dropped after the WP/WF deadline, a WP or WF will be indicated on the student’s transcript if the withdrawal is approved. Scheduling of another course after the deadline will be at the discretion of the Assistant Principal.

All students considering participating in intercollegiate sports at Division I or II during their Freshman year of college must meet initial eligibility requirements. Student-athletes understand that courses that are remedial in nature will not be accepted by the NCAA Clearinghouse for the purpose of determining initial eligibility. A list of acceptable courses according to NCAA guidelines is kept by every guidance counselor and can be referred to upon request. Please ask your counselor for advice on these matters, as some of our courses are not listed at a particular level but are indeed remedial. For more information regarding core course requirements, consult the NCAA Guide for the College-Bound Student-Athlete available in the Career Center, refer to the NCAA website, www.ncaa.org.

**Career Technical Education (CTE) Removal Withdrawal Policy**

The following policies apply to CTE students only. Exceptions to our regular policies are made based on the exceptionality of CTE, which is a unique placement outside of UDHS and accounts for nearly half the students’ educational year. The following policies cover voluntary withdrawal or removal from a CTE placement.

**30 Day Policy**
Students who attend a CTE program and come to the realization that a career technical program is not a good fit, may drop out of their program of study and return to Upper Darby High School (UDHS) and be scheduled for a full day of courses. If a student has extremely poor attendance or grades in the first 30 days, they may be removed after a meeting with the counselor, grade level principal, and career and tech coordinator. The student will return to UDHS and be scheduled for a full day of courses.

**After 30 days**
Students who are not satisfied with their CTE program after 30 days will have the option of changing programs within CTE. If they decide to withdrawal completely from their CTE placement before the semester ends, they may be scheduled into new courses at the principal's discretion. However, the student will have the option of finishing the semester with the opportunity to earn two credits if they earn a passing grade. The student will be scheduled for semester two courses at the discretion of the Assistant Principal. A student must notify their counselor by December 1st of their intention to withdraw from CTE after semester one.

**Failing/Attendance Violation**
If a student is failing and has exceeded the ten-day absence policy, they will be removed from their CTE program. They will receive no credits for semester one, and they will be scheduled into classes at the Principal's discretion for semester two.

**Passing/Attendance Violation**
If a student is passing at the end of semester one but has violated the 10-day attendance policy, there will be a meeting with the counselor, grade level principal, and career and tech coordinator to determine the circumstances of the poor attendance. Excused medical absences for mental or physical health will be carefully evaluated to determine if a student should remain in their CTE program. If it is determined that the student should be removed from the program and they complete the first semester with a passing grade, then they will be awarded two credits for semester one and will be scheduled for semester two courses at the discretion of the Assistant Principal.

Six consecutive absences
If a student fails to report to their CTE program for six unexcused consecutive absences, then the student may be pulled from their CTE placement mid-semester. In this case, the student will receive no credit for semester one. If they are passing, they will receive a WP. If they are failing, they will receive a WF.

Graduation Requirements
Students in the classes of 2021 and 2022 are required a total of 26 credits to graduate from Upper Darby High School.

Please Note: The minimum passing grade is 60%. Students earning less than 50% demonstrate an inadequate grasp of the course materials. Scheduling of another course will be at the discretion of the Assistant Principal.

The final grade in a semester course is computed by doubling the two-quarter grades, adding them to the final exam grade, and dividing by 5. Doubling each quarter grade, adding them together with the midterm and final exam grade and dividing by 10 compute the final grade in a full-year course. The lowest grade that a student can receive for a quarter grade is 45%. Exam grades are recorded as is.

Since adequate evaluation data must be collected by the teachers for a grade to be considered valid, the data will include but not be limited to the following:

- Three major tests each quarter in each major subject
- Quizzes and check-ups
- Classroom performance grades
- Major projects/assignments
- Home assignments

The school year is divided into four report periods, which end on the following dates:

Students who would like to withdrawal from a class prior to the WP/WF deadline must first meet with their counselor and Assistant Principal. Parent/guardian permission and approval by the Assistant Principal is required. Scheduling of another course will be at the discretion of the Assistant Principal.
If a course is dropped after the WP/WF deadline, a WP or WF will be indicated on the student’s transcript if the withdrawal is approved. Scheduling of another course after the deadline will be at the discretion of the Assistant Principal.

All students considering participating in intercollegiate sports at Division I or II levels during their Freshman year of college must meet initial eligibility requirements. Courses eligible to be remediated through credit recovery during summer school: Students may make up only those courses in which they have remained in attendance until the completion of the course. Students may not make-up courses which they have dropped either with a WP or a WF. This rule also applies to students who have withdrawn from school before completing courses.

Course Change Timelines
In certain situations, there may be a need to change a student’s schedule. The following guidelines outline the policies and important dates for making changes to a student’s schedule.

Withdrawal Pass/Withdrawal Fail
Students are allowed to change a course without having the course appear on their transcript if they make the change before the withdrawal fail/withdrawal pass deadline. Prior to the WP/WF deadline, a student would be able to drop a class and schedule a different credit-bearing course if space is available during the block/period of the course that is being dropped. Any changes are made at the discretion of the grade level assistant principal.

The WF/WP deadlines are as follows:
Semester 1: 9/16/2020
Semester 2: 2/11/2021

If a student drops a course before the WF/WP deadline, the counselor can make the lateral schedule change and add the student into another credit-bearing course. Before the withdrawal fail/withdrawal pass deadline, if a schedule needs to be reconstructed, the counselor should go back to the AP for approval.

If a student withdraws from the course after the WF/WP deadline, the course the student withdraws from will appear on the student’s transcript with “WF” or “WP” to indicate if the student was passing or failing the course at the time of withdrawal from the course. Students who withdraw from a course after the WF/WP deadline will be scheduled into a study hall at the grade-level assistant principal’s discretion. If this change results in a fifth block study hall, the student may be scheduled into an early dismissal, per Assistant Principal approval and parental permission. Early Dismissal policies and procedures will apply.

Final Course Change Deadlines:
The final course change deadline prevents students from making schedule changes too far into the marking period to receive complete grades. This deadline occurs approximately two weeks after the WF/WP deadline. After the final course change deadline, there will be no changes to student schedules without administrative approval.
The final course change deadlines are as follows:
Semester 1: September 25, 2020
Semester 2: February 19, 2021
Any changes after these dates are subject to principal approval.

**Learning Communities:**
Please see the grading rubric for Learning Communities:

- Learning Communities will be grade-level specific other than sections where students are completing courses from the 2019-2020 school year.
- Lessons will include but are not limited to PBIS, Trauma-Informed Care, Equity, College and Career Readiness, Self-Care, Goal Setting

**Learning Communities Rubric:**

**Code of Conduct**

Please refer to the Student Code of Conduct it is also available on the district website

**The Honor Rolls**

Each quarter, the school will publish the names of all students who qualify for either The Honor Roll or The Distinguished Honor Roll.

The Honor Roll: Those students who achieve an average between 85 and 89% with no posted* grade below 80%.

The Distinguished Honor Roll: Those students who achieve an average between 90 and 100% with no posted* grade below 85%.

*Posted grades are the actual numerical grade the student earned and which the teacher enters into grade files. For Advanced Placement courses, “posted” grades are given a five-point bonus respectively in calculation of the GPA and eventually for Class Rank, but will appear on the report card as they were posted. Honor Roll grade levels depend on grades that appear on the report card, not the bonus-added grade used in the GPA and Class Rank calculations.

**Class Rank**

For the purpose of ranking, each course will be assigned an academic weight. Students will receive a certain number of quality points for each course based on their average in the course, the academic weight of the course, and the number of credits the course is worth. The total number of quality points earned by a student will be divided by the number of credits earned in quality point-earning courses to calculate a quality point average. To determine class rank, the quality point average will be calculated to the hundredth of a point (rounded to two decimal places) with the student earning the highest numeric quality point average being ranked first. Courses that are graded pass/fail do not earn quality points and are not included in the calculation for class rank. Credits earned in courses graded pass/fail, though not used in the calculation of class rank, are still accumulated towards graduation requirements and are recorded on the student’s transcript. The level of achievement, as represented by the student’s percentage grade and the academic weight of each course, make the ranking process precise and discriminatory. Students are to see their counselor for a complete explanation of this chart. Any two (2) or more students whose quality point averages are identical shall be given the same rank. Upper Darby HS reports rank in deciles.

**Final Examinations**

Final examinations are a very important part of the high school grading system. Exam schedules will be published for students in advance of the testing dates. The following regulations apply:

1. All students must take all exams for which they are scheduled.
2. Absence from any exam must be excused through the office of the grade level Assistant Principal. Documentation is required to verify the excuse for the absence. Make-up exams will be given during scheduled make-up periods only.
3. Any student neglecting to make up an exam will receive a “0” for the exam grade.
4. Any student found cheating on an exam will receive a grade of “0” averaged into the course grade.
5. If a student is unable to make-up an exam during the scheduled make-up exam time, the student will receive a grade of Incomplete. Arrangements will be made and approved by the grade level Assistant Principal prior to the start of exams.

Make-up Work
Students will be permitted to “make-up” schoolwork missed during periods of absence. Students will be permitted two (2) school days for each day of absence to complete schoolwork missed during the period of absence. For absences in excess of five (5) school days, alternate arrangements may be made with individual teachers. Students who do not “make-up” schoolwork, as provided above, shall forfeit the right to receive academic credit for work missed during the period of absence. Students who will be absent due to a field trip must make prior arrangements with their teachers regarding tests and due dates for assignments.

Incomplete Work
- General Policy: As a general policy, students are to be graded at the termination of each grading period.
- Provisions: Students shall be granted a reasonable length of time to make up work, which has not been completed due to illness, or unusual circumstances. It is a student’s responsibility to approach his/her teacher for make-up work upon returning from any absences.
- Absences: In the case of absences of up to 5 days in duration, the student shall be granted 2 days for make-up for every day absent. In the case of absences of up to two weeks in duration, the student and teacher shall agree on a reasonable length of time for the completion of the work. In the case of absences, which exceed two weeks, student, teacher, and Assistant Principal shall agree upon a reasonable length of time to complete the work.
- In the case of absence due to a suspension of 5 or more days, work can be picked up by a parent/guardian. It is expected that this work will be completed upon the student’s return to school. The student will be granted two days for the make-up of additional work or tests for each day of suspension.
- Students anticipating an extended medical absence from school, are encouraged to request course work from their classroom teachers through their counselor. Please allow at least two school days for the counselors to compile the work.
- Failure to complete work: When a student fails to complete work within the period of time agreed upon, the student may then be granted a mark of zero (0) for the work not completed. Zeros given shall then be averaged in with other marks to arrive at a grading period mark.

Making Up Credits for Courses Failed:
Courses eligible to be remediated through credit recovery during summer school: Students may make up only those courses in which they have remained in attendance until the completion of the course. Students may not make-up courses which they have dropped either with a WP or a WF. This rule also applies to students who have withdrawn from school before completing courses.
Credit recovery courses at the Upper Darby High School Summer School requires a final average between 50 - 59%. Courses with a final average 49% or below must take the entire course during the summer, through our district on-line learning or the following school year. Summer School/on-line classes are $125 each.

Scheduling Make-Up Courses: Students may not begin a make-up course until a failing grade has been officially recorded in the school records.

Progress Check Updates
A ParentLink email will be sent to notify parents/guardians to check student grades through the eSchool Home Access Center. Dates are listed on the school calendar.

**School-Wide Testing**
During various points during the school year, our school participates in a school-wide testing program. The tests that you will take depend on your grade level. Results from those tests are used by counselors and teachers for course leveling, and by you for helping you understand your interests and strengths.

**Keystone Exams** are state-mandated exams that are given at the end of Algebra 1B, Biology, and English 10. Students may retake Keystone Exams. We will be administering the Keystone Exam—more information to come.

**Measures of Academic Progress (MAP)** is a computer-based assessment that allows teachers and administrators to identify each student’s strengths and weaknesses in the areas of math and reading. There is a fee for this test. The code for UDHS is 39496,5, and the Test center code is 39-694. UDHS will not be a testing site for the 2020-2021 school year.

Certain colleges and universities may require the Scholastic Aptitude Test for Subjects in addition to the SAT Reasoning Test. Generally, three subject tests are required out of the following options: Literature, Math Level I, Math Level II, Biology, Chemistry, U.S. History, World History, French,
German, Modern Hebrew, Italian, Latin, Spanish, and a select few Language Tests with Listening. There is a fee for this test.

American College Testing Program (Grades 11 and 12). Some colleges, especially those located in the South, West, and Midwest, recommend or require the American College Test (ACT) in place of the College Board SAT. Besides, the ACT is required for placement purposes by the Community College of Delaware County. The ACT is a three-hour test that measures a student’s ability in English usage, mathematics, social studies, and natural science. Registration forms are available in the Centers and must be sent in by students well in advance of the test date.

Advanced Placement Tests. Students have the opportunity to take examinations in subjects for which they may qualify for advanced placement in college. Interested students should consult with the AP teacher or with their counselor for further information. There is a fee for these tests. Students do not necessarily need to be in the AP course to take the AP exam. See your counselor for further information and a schedule of test dates and fees.

**Athletics Philosophy**

Upper Darby High School and the Athletic Department, through its provision of a comprehensive interscholastic program, desire to involve the widest possible segment of the student body in the program, believing that participation in athletics builds character through competition and engenders a desire for excellence which will carry over into every area of performance, both in school and in any outside activities.

Upper Darby High School desires that participating students develop pride and build respect for themselves, their team, their school, and their community by striving always to do their best in every situation, by exhibiting courtesy and respect to those in authority, and by conducting themselves in the best manner on and off the field as proper representatives of Upper Darby High School. Upper Darby High School also seeks to provide the best guidance for participating students by stressing the importance of academic endeavors throughout the athlete’s school career and by affirming that academic and athletic excellence are compatible and inseparable. The department is dedicated to providing excellent coaching and resources for athletes so as to help them reach their greatest potential.

Upper Darby High School strives to foster success by recognizing student-athletes’ contributions with a comprehensive awards program and publicizing their activities in a positive manner.

**Athletic Department Policies**

Given the fluidity of participation in PIAA sanctioned athletics as a result of Covid-19, please refer to district Pandemic policies regarding athletic mandates.

All High School and District Policies are in continuous effect and will take precedence over policies of the Athletic Department should there be any conflict.

1. Dropping or Transferring Sports
   - On occasion, an athlete may find it necessary to drop a sport for a good reason. An athlete must notify his/her coach immediately. Each case will be judged on its own merit, and the first line of inquiry for the student should be the coach of the particular sport.
   - When students wish to transfer to another sport in the same season, the coaches of both sports in question will consider the case. The approval of both coaches is necessary, as well as that of the Athletic Director for the transfer to be effective. Reliance on current PIAA regulations regarding transfers is necessary in all cases.

2. Travel
   All athletes must travel to and from contests under the supervision of their coaches. All regular school rules will be followed in transit.

3. Conflicts in Extra-Curricular Activities
   The Athletic Department recognizes that each student should have the opportunity for a broad range of experiences in the area of extra-curricular activities. To this end, the department will attempt to schedule events in a manner to minimize conflicts.
Students have a responsibility to do everything they can to avoid continuous conflicts. This would include being cautious about participating in too many activities where conflicts are bound to happen. Students also have the responsibility to notify faculty sponsors involved immediately when a conflict does arise.

4. Athletic Eligibility
Refer to current Eligibility Policy & Procedures. Note this policy applies equally to many extra-curricular activities. In addition, note that students who are not marked as present in their synchronous school day will not practice or play in contests that day.

5. Team Standards & Discipline
In addition to the Athletic Department standards, each coach is expected to distribute to each athlete a copy of the team’s standards by which the athlete’s participation is governed. A copy of these team standards is to be on file in the Athletic Office.

An athlete’s failure to comply with these standards is an indication of a lack of desire to participate fully in the program and will result in suspension from participating. The precise period of suspension will depend on the violation and the attitude of the athlete. Reinstatement will be made when the athlete expresses the desire to conform fully to team standards.

Repeated or flagrant violations may result in suspension from the particular sport or the entire interscholastic athletic program for a period of one season or year.

A player will not receive a letter for second and third awards in the same sport but will be issued a certificate noting the player’s earning of second and third awards. Additional letters, however, may be purchased.

Students placed on probation for academic deficiencies (receiving two failure warnings) will not be permitted to participate in interscholastic contests. They may practice with their teams.

The student on probation may return to eligible status if:

1. The teacher(s) issuing the failure warning indicates, on a grade verification form sent by the Athletic Director, that the student is passing in the course(s).

2. Students regaining eligibility status pursuant to the standard set forth above by having attained an average of 60 or better remain eligible unless the student’s average falls below 60, and another failure warning is reissued by the teacher.

**Marking Period Eligibility**

A student failing two or more full credit courses at the end of the previous marking period will be deemed ineligible to participate in interscholastic sports (contests and practices), competitions or practices for fifteen (15) school days, beginning the day that report cards are issued and mailed for that particular marking period. Eligibility at the start of 2nd semester will be based on final grades for semester courses and 2nd marking period grades for full-year courses.
Seniors must be passing all courses required for graduation to remain eligible to participate.

**Start of School Year Eligibility**
A student failing two or more full-credit courses in the previous school year as determined by the final course average that have not been made up in summer school will be deemed ineligible to participate in interscholastic sports (contests and practices) competitions or practices for the first fifteen (15) school days of the new school year.

The following attendance provision and suspension policy apply to student-athletes as well as to students participating in singular school activities.

**Attendance Provision**
Suppose a student participant is absent from school during any semester for a total of twenty (20) or more school days. In that case, that student will lose his/her eligibility until he/she has been in attendance for a total of forty-five (45) school days following the twentieth day of absence.

**Suspension Policy**
Student participants who are suspended from school for disciplinary reasons are ineligible to practice for and/or participate in interscholastic contests or performances on the day(s) of the suspension. A suspension terminates at 11:59 p.m. on the last day thereof.
