

## Meet the Teacher

Hi! My name is Ms. Egan, and I am thrilled to be a part of the 5<sup>th</sup> grade team at Westbrook Park! I am excited to be your son or daughter's teacher and I'm looking forward to a year full of achievement, fun and adventures. I can't wait to get to know all about your children.

A little about me, I have been a familiar face at Westbrook over the past three years, teaching reading intervention part-time in grades kindergarten through fifth and starting in fifth in 2017. Your kids may have seen me in the halls or even had me as their teacher.

Over the next few weeks, I hope for a smooth transition and we will continue to work together to have an incredible school year. Your children all have unique talents and strengths and I can't wait for them to share their successes with their classmates.

I would love to have communication with parents throughout the school year. Please feel free to contact me with any questions or concerns. I want to partner with you to best support your child's academic and social progress. Let's have a terrific year!
