

National Junior Honors Society Pillars of Membership

Scholarship

Students must first meet this criterion to become candidates for membership. NJHS national policy requires that each chapter set a cumulative GPA as their Scholarship criteria.

The minimum Scholarship requirement a chapter may set is a cumulative GPA of 85, B, 3.0 on a 4.0 scale, or equivalent cumulative standard of excellence. Each school chapter can set a cumulative GPA requirement above this minimum. The national office cannot require a chapter to lower a properly implemented higher cumulative GPA.

The Scholarship requirement for Beverly Hills Middle School is for the student to achieve Honor Roll Distinguished Honor Roll for 3 of the 4 marking periods of sixth grade, all marking periods of seventh grade, and the 1st marking period of eighth grade. The student may not receive any marks below 80%, or a mark of U or N.

Service

This involves voluntary contributions made by a student and done without compensation. Chapters can require evidence of service to either the school, the community or both. Each chapter sets its own requirements for this criterion.

Leadership

Student leaders are those who are resourceful, good problem solvers, and idea contributors. Leadership experiences can be drawn from school or community activities while working with or for others. Chapters can require evidence of leadership from within school or the community or both. Each chapter sets its own requirements for this criterion.

Character

The student of good character is cooperative; demonstrates high standards of honesty and reliability; shows courtesy, concern, and respect for others. A chapter's faculty council may review or consider disciplinary records when evaluating this criterion.

Citizenship

In general, the student who demonstrates citizenship understands the importance of civic engagement; has a high regard for freedom and justice; and respects democracy. Each chapter sets its own requirements for this criterion.
