## To the Class of 2019

I am so proud of you and all of your accomplishments! To say that this class has been my heart, is an understatement! You are more than just students to me, you are my "babies"!

I can't believe that I will no longer see you walking the halls, stopping in my office and giving me hugs. Upper Darby will not be the same without you! Always remember to choose kindness, remember your self worth, strive for excellence and remember your roots! I love you all more than words can say and I will miss you every day! Congratulations and best wishes for the future!

All my love, Mrs. Palladino
