Legend

PrimeroEdge will flag based on USDA requirements, but your State Agency may issue waivers to allow a Menu Cycle with at least 50% WGR Grains to pass, or for 1% flavored milk to be an acceptable variety. In such instances, as long as you have met the conditions of the waiver, your State Agency will consider you to be in compliance.

(M) Indicates missing nutrient values.

- 1 Standard Value is the daily average requirement for a school week.
- 2 Trans Fat is provided for informational purposes, not for monitoring purposes.
- 3 Sodium Target 2 will be marked in orange if exceeded prior to the effective date of July 1, 2020 and does not impact pass/fail compliance prior to that date.
- a USDA is offering flexibility by allowing SFAs to exceed the maximum amount of grains and meat/meat meal alternates as long as the daily and weekly minimums for these components are met and the calories are within the required range.
