

Room 204 News

March 9, 2020

Mrs. McGonigle - kmcgonigle@upperdarbysd.org

Please check website for weekly updates.

This Week:

- Go Math! Chapter 8 test on numbers 20 and beyond will be given on Thursday, March 12 and Friday, March 13.
- Progress Reports/report cards will be sent home Friday, March 20, 2020.
- Spring Conferences are March 24 and 25. These are early dismissal days, so please plan accordingly. Unfortunately, there is not enough time allotted to meet with all parents as in the fall. The parents who received invitations to Spring conference were based on your child's progress. If you want to request a conference for your child, it will have to occur on a different day. All conference appointments are filled for March 24 and March 25.

Go Math! News:

Chapter 8 test on Thursday and Friday
Chapter 8 - Represent, Count, and Write 20 and Beyond

Vocabulary - tens, twenty, fifty, one hundred

Essential Question - How can you show count, and write numbers to 20 and beyond?

The children will use ten frames and 100 charts to explore numbers.

-Your child should be finishing the Chapter 8 pages in the Go Math! Practice Book.

Extra Math Practice

- Sumdog-Please have your child log on to www.sumdog.com. Contact me if you need further information.
