May 26, 2020

Mrs. McGonigle - kmcgonigle@upperdarbysd.org

Please check website for weekly updates.

This Week:

This is our final week of the mandatory lessons on Schoology. It's hard to believe that the school year is coming to an end! Please make sure your child completes the lessons in the Math & ELA folders and sends me the answers to the Check for Understanding questions for the week of May 26-29. I will have a Fun Friday Folder with some end of the year activities that will be optional for the 29th. Please make sure you are going to the Updates tab in Schoology to watch my daily messages.

Friday, May 29 we will have a final class meeting. Please check your email on Tuesday, May 26 for an invitation to this virtual class meeting. The AM children will meet at 1:00 p.m. and the PM students will meet at 2:30 p.m. I will send more details on Tuesday as well. I hope you and your child will be able join in as we say good-bye

You will be receiving an email from me during the week of June 1 that will have several attachments. You will receive a pdf. of your child's second marking period progress report, comment sheet, and a special message from myself. There will not be a final marking period progress report and all children will be promoted to first grade for the 2020-2021 school year.

Thursday, June 4th was to be our End of the Year Concert. As we all know, that is not going to occur, but Mrs. Williams and the entire K Center family will be sending you a special End of the Year message. Please be on the lookout for Mrs. Williams' email.

Friday, June 5th has been designated as the day parents may come to the K Center for your child's belongings. We are asking you to return your child's school library book at that time. You do not have to return any classroom lending books. Your child may keep the book & bag from Room 204's classroom library. Remember, you will only be allowed to drive through the bus loop to obtain the materials. You will need to remain in your car to ensure everyone's safety. Please see Mrs. Williams' message concerning the materials pick-up.

That is all I have for now. Please make sure you are checking your email regularly for any additional information as the school year comes to an end. Be on the lookout for another Room 204 Newsletter for the week of June 1.

I hope you have a great week and I look forward to seeing as many of my Room 204 friends online during Friday's final class meetings!
