Focus for the Week:

Reading- This week we will begin lesson 23. This week we will discuss how an author uses imagery in writing. We will also work on answering questions.

Math- We are continuing to divide fractions in chapter 8. We are also prepping for Math PSSAs. There will be a chapter test at the end of the week.

IXL- In Math we have been working on a program called IXL. It is an awesome math program that we use in addition to sumdog. This is a great review for concepts we have already learned as well as preparation for the PSSAs. This can be accessed at home for extra practice.

Writing- This week we are starting a new activity. Paragraph of the week. We will be working on writing a paragraph using descriptive language.

Quote of the week: *“Strong people stand up for themselves but the strongest people stand up for others.”*
