Good Evening Drexel Hill Middle School Families,

Thank you to everyone that came to Back To School Night last week! It was wonderful to see you all in person. We hope you enjoyed the evening! Drexel Hill is such a community of students and guardians, so it was great to all be together! Please see below for important reminders and announcements!

Lunches

If you are dropping lunch off to your child, please alert them that it is in the Main Office. There are days that the students do not come to pick them up and the food goes to waste. Thank you!

Lawns

Just a friendly reminder from our neighbors: Please do not park in or block their driveways at arrival or dismissal. Also, please encourage your children to walk home on sidewalks and not the neighbor's lawns!

Pick Up

If you are picking your child up in a vehicle, the pick up location is in the back teacher parking lot. You may also tell your child that you will meet them at an off-site location. The front loop is for busses only. Thank you for adhering to this.

If your child is NOT a busser, they should be vacating the campus as soon as they leave the school building at 3:10 PM. We have many students who stay after and walk home close to the 4:00 PM hour. For many reasons, including safety and whereabouts, please have your walkers leave as soon as they are dismissed. We will be reviewing this with the children as well this week in grade level meetings.

Behavior and Safety

We are still seeing a lot of horseplay and playfighting, despite reminding the students over and over to keep their hands to themselves. Horseplay often becomes dangerous and we want to keep everyone safe. Please remind your children of this as well. Thank you!

Progress Reports

Today was a progress reporting day. You will see grades posted for all Basic classes (Math, English, Social Studies and Science) as well as Related Arts classes on the Access Center (HAC). Please let your school counselor know if you can not access HAC.

Home and School

New Facebook Group:

DHMS HSA has used a Facebook Page which is open to the public and anyone can view. We have been working on a Private Facebook Group that would make sharing news or events for our students safer. We will be using this group immediately. Please be sure to answer the security questions for membership. We will be verifying with the school and this may cause a delay in approving requests for membership. Please be patient as we transition to the Facebook Group.
