PHYSICAL EDUCATION FACTS

Physical Education Teacher

Mr. Dunn

Physical Education Expectations

- Do your best
- Demonstrate good sportsmanship
- Share
- Play fair
- Avoid arguments
- Cooperate with teammates
- Respect others
- Accept Mr. Dunn's calls
- Shake hands after a game

Wear Sneakers

Sneakers provide the proper support and protection for your child's feet during physical activity. Please make sure your child wears sneakers to Physical Education class. Your child will not participate if he or she does not wear sneakers. If the weather calls for boots, have your child carry their sneakers in their school bag and they can change into them in the gymnasium.

Active kids do better

Integrating physical activity after school helps kids learn, focus and grow. When kids are physically active they perform better academically, they have better attendance and their behavior improves.

Assessment

Students will be evaluated as to whether they demonstrate Advanced, Proficient, Basic or Below Basic in each of the following criteria: Psychomotor Skills, Sportsmanship and Participation.

Closing

I hope your child will share in our goal to be physically active so they can get all of the physical, intellectual, emotional and social benefits which come to someone who is physically active during his or her life. I am extremely proud of the Physical Education program at Aronimink Elementary School and I look forward to being your child's physical educator this year.

If you have any questions, please e-mail Mr. Dunn at bdunn@upperdarbysd.org

Thank you!
Mr. Dunn
