

## Aronimink Elementary School Home and School Association

March 10, 2019

Dear Valued Community Member:

Aronimink Elementary School's May Day/Play Day event will take place on Friday, May 17, 2019 (Rain Date is Friday, June 7<sup>th</sup>). Our May Day/Play Day tradition is a wonderful opportunity for students to celebrate another year of hard work – and it is also one of the main fundraisers for our Home and School Association!

The Home and School Association uses funds raised from this annual event to enrich the educational experiences of students in the school and surrounding community. We do this by purchasing items such as technology and learning tools for classrooms, providing assemblies, offering opportunities for the neighborhood to gather at several community-wide events, and by supporting enriching programs in the district at large, including two scholarships for graduating seniors from the Upper Darby High School. All that we do is made possible by your generosity!
