A challenge awaits, you can find it below.
So sharpen your pencils
Ready, set, go!*

First grade families are you ready for a challenge?

We are excited to announce that we will be having a First Grade Fast Facts Challenge! Every month you will receive a calendar in your child's homework folder. Each night we are asking for you to practice addition and subtraction facts at home for 5 minutes. Some examples include flashcards, computer games, worksheets, etc. Please color in the symbol, initial each box, and return to school at the end of each month. The goal is to have the entire first grade complete the challenge. Please let us know if you need any suggestions or materials.

The challenge closes on January 31, 2019
