

# May Royal Writer

We are bringing our Royal Writing full circle. We started with a letter challenge and we are finishing with a letter challenge.

The Royal Writing Challenge for May is to write a letter to a student who will be moving up to your current grade level. Tell the student about what you learned, as well as the fun and exciting activities that happened in your grade and classroom. If you have wise advice for the incoming student please share your wise advice. Think about specials, lunch, field trips, special projects, stories, and challenges that made this school year memorable.

You can use the attached letter templates or make up one of your own. Decorate your letter with pictures and colors. We will hang them in the halls next September to welcome our students to their new grade levels.

Finish strong, Royal Writers!!

Due Date: May 28, 2019
