Dear Parents,

Welcome back! I am looking forward to working with you and your child/ren to have a musically great year! Your child/ren will be studying a musical instrument called a “recorder”, as part of their music curriculum. The students learn to play the recorder in a formal and improvisational manner.

In order for students to have the greatest access to their recorders, we suggest that they have two recorders, one for school and one for home. In the past, students who only have one instrument have had trouble bringing it back and forth. Some have even lost their recorders and were unprepared for long periods of time.

Please review the prices below and remit that amount in a sealed envelop with your child/ren ('s) name, classroom teacher's name, and the amount enclosed written on the outside.

If your child is in fourth or fifth grade, we will be using the instruments in class within the next week. Third grade will be issued recorders when the money is collected, so please send in the proper amount as soon as possible.

<i>Yamaha Soprano Recorder</i>	<i>w/case (stays in school)</i>	<i>\$7.00</i>
<i>West Music Recorder</i>	<i>w/case (stays home)</i>	<i>\$3.00</i>

Thank you,

M. Margarite
