**Want to never write another check for child care again?**

Upper Darby School District Day Care Program has a convenient service called EZ-EFT that makes it easy for you to pay your child care fee automatically – at absolutely no cost to you. The simple authorization form allows us to bill your financial institution or credit card on the due date. There is no need for you to write checks, remember to drop off or mail them, or worry about late fees. Your record of payment will be listed each month on your banking or credit card statement and on your monthly invoices.

Getting started is easy. Simply complete the authorization form included here, or pick up a form at the Day Care Office. Attach a voided check to the form and return it to us. If you prefer to pay by credit card; just include the account number and expiration date.

What about security? The service uses the Federal Reserve's electronic payment network used by financial institutions nationwide, so it is absolutely secure. Consumer safeguard regulations for electronic payments are even more stringent than when you write a check.

With your busy schedule, it's nice to know that you will have one less task to perform each month with absolutely no cost or effort on your part. Sign up for EZ-EFT today!

We are also using Click-to-pay on your e-mailed invoice that can be made through a checking or savings account or credit card at a small fee to you.
