CHROMEBOOK DISTRIBUTION

03.26.2020

Good evening families,

This is the Upper Darby School District calling with an update regarding our chromebook distribution. As we move into the mandatory phase of our Educational Plan this coming Monday, we want to ensure that families are able to access our online Learning Management System, Schoology. Because so many people have requested another opportunity to receive a device, we plan on having a fourth and final Chromebook distribution day tomorrow, Friday, March 26, 2020 at both Drexel Hill Middle School and Beverly Hills Middle School. Please know that this final distribution day is meant for families who have not already received a device from the Upper Darby School District and do not currently have a device at home. For families whose last names begin with letters "A" through "M" we ask that you arrive between 9:00 AM and 11:00 AM and for families whose last names begin with letters "N" through "Z" from 1:00 PM to 3:00 PM. Below you will find a link to our Student Equipment Agreement. If possible, please have this form completed and ready to submit tomorrow when you arrive for your device. Please be reminded that families can only borrow one (1) Chromebook per family and that you must show photo ID and be the parent of record in our student management system.

We ask that all families please follow the recommended social distancing protocols including keeping at least 6 feet of distance from other people at all times.
