**CORONAVIRUS/COVID-19 UPDATE:
EDUCATIONAL OPPORTUNITIES PLAN
03.29.2020**

Good afternoon Families, Teachers, and Staff:

This is Dr. Dan MGarry, Superintendent of Schools, calling with another update. We hope that you and your family are staying safe and adhering to the guidelines for safety set forth by the Center for Disease Control (CDC), the Pennsylvania Department of Health, and Governor Wolf's Office.

In order to ensure the health, welfare and safety of our staff, students, and families, Upper Darby School District will be following the Governor's guidelines, extending school closures until April 6th. The Upper Darby School District will be extending the Governor's school closure through our already scheduled Spring Break (April 6-10). We are hopeful that this order will be lifted and we will be able to return to school following Spring Break, but we will wait for further guidance. Therefore, all District facilities and schools will be closed up to that date until we hear more information from the Governor's Office and the Pennsylvania Department of Education (PDE).

Our District has already communicated our Educational Opportunities Plan to you. We will transition our Educational Opportunities Plan from Non-Mandatory to **Required** beginning **tomorrow March 30, 2020**. I have attached our plan with this email.

We will pause our plan during Spring Break, and we will return to online instruction on Monday, April 13th, 2020.

Please visit the following websites regularly for updates and resources:

Please realize that this is a fluid situation, and we will continue to provide you with the latest information as it becomes available to us. If you have any questions or concerns please contact your building principal via email.

Thank you for your patience and have a wonderful evening!
