## **Coronavirus/COVID-19 Update**

### **Correction on Location for Chromebook Distribution**

**04.14.2020**

Good Evening Families:

This is Dr. Daniel McGarry the Superintendent of Schools calling with an update regarding our Chromebook distribution. As I have stated in previous communications, we will be providing additional Chromebooks to families with multiple students. I am sending this with ONE CORRECTION. We will be distributing Chromebooks at Upper Darby High School and not any other location. I apologize for the confusion.

This communication is not going out to every school district family. You are receiving this communication because we have identified you as a family with multiple students and may be in need of more than one device to access our Educational Opportunities Plan. We want to ensure that families are able to access our online Learning Management System, Schoology. We ask that all families please follow the recommended social distancing protocols including keeping at least 6 feet of distance from other people at all times when you come to pick up your Chromebook. Please complete the forms provided in this communication. You may pick up an additional Chromebook at Upper Darby High School starting tomorrow from 9a.m. to 12p.m. and from 1p.m. to 3p.m.
