Notes:

• Public school district data is provided using population data from the 2018 fact finder values found on the Census.gov site.

• For school distrists that extend into other counties (Twin Valley, Octorara, and Spring Ford) only the population within Chester County is used.

• Both Kennett Consolidated School District and Unionville Chads Ford School District share population from East Marlborough Township. For these districts, census block data was used to divide the township's population appropriately.

• "District Unknown" relates to cases which have not yet been assigned to a public school district due to inaccurate address information, missing address information, or an ongoing investigation. Incidence is not calculated for "District Unknown".
