

The Birthday Book Club offers you the opportunity to celebrate your child's birthday, a good report card, or another special occasion while making a contribution to the Westbrook Park Elementary School library collection. The library will keep on hand a selection of books from which to choose. After purchasing a book, a bookplate with your child's name and celebration note will be added to the inside cover of the book. Your child's photo will also be taken for display in our library, and your child will be the first to borrow the book!

If the Birthday Book Club sounds like a good idea, please fill out the bottom of this sheet and return it to the library as soon as possible. The month before your child's birthday, I will send home a reminder along with an annotated list of books available for purchase and their prices. If you choose to participate, you simply return the form and the cost of the book and we will acknowledge your child near his/her special day!

Please feel free to contact me with any questions.

Happy Reading,

Mrs. Torello-McClanahan (Mrs. TM), Librarian
