*****Chromebooks are due NOW. If you have not turned in your Chromebook and charger by tomorrow, it will go on our obligation list and you will be notified personally that it has not been turned in. Seniors coming up to turn them in tomorrow should go directly to Tech Services (down the hall from the main office) between the hours of 8-12 and 1-3:30.*****

Between yesterday afternoon and today, you should have received the email below with your assigned graduation homeroom. Please read the email carefully.

****If you did not receive an email with your assigned homeroom, please reach out to Ms. Kottan (jkottan@upperdarbysd.org) as soon as possible.***

Email sent to Graduates and Families

Good afternoon,

****First off, please understand that final grades for the second semester are due from teachers by noon on Wednesday, June 7th. Any seniors that do not meet graduation requirements will be contacted by Thursday at noon as to their graduation status.****

This email is to provide you with the Graduation Homeroom for <<Student Name>> as well as important information for both Friday's rehearsal and Monday's big event at Temple.

The assigned graduation homeroom for <<Student Name>> is <<HR>>.

Seniors that are graduating and taking part in the ceremony on Monday, June 12th MUST attend the graduation rehearsal on Friday, June 9th.

Details for Friday, June 9th:

- Seniors are encouraged to wear their Class of 2023 Senior Things shirts!...we still have shirts that have never been picked up. They are in the senior center.
- Seniors must be checked into their assigned homeroom by 11:45am (*Please note that seniors have to find their own way to the high school that day.)
- There will be a short video in homeroom before seniors transition to the gym for the remainder of the rehearsal
- Rehearsal should take an hour or less...as long as everyone cooperates and listens to Ms. Kottan!
- After rehearsal, seniors will return to their assigned homeroom to receive their cap/gown and five (5) tickets
- **Students with obligations (Chromebooks, Act 158, Work based learning, textbooks, uniforms, etc.) will not be able to receive their cap/gown and tickets until all obligations have been satisfied.**
 - An email with specific obligations will go out by Wednesday morning
 - We will have rooms set up in the hallway between the senior center and library for satisfying obligations starting at 9:30 on Friday, June 9th
 - Seniors that owe \$52 for the cap/gown can see Mr. Peterkin this week with their payment

Details for Monday, June 12th:

- Seniors must report to their assigned HR at UDHS by 7:30am...please be on time

- We will be boarding buses starting at 8:45, so there is a lot of organizing to be done in homeroom
- Students should be in dress code and in their cap & gowns and ready to load buses
- Do not bring anything that you would need to carry on Monday...your hands should be empty for processing and accepting the diploma

****Graduates that need transportation from Temple back to UDHS are asked to complete the Google form [HERE](#).***

We need everyone's cooperation for these two events to run smoothly. Almost 1,000 students will be graduating next Monday, so we all need to be patient, kind and respectful.

Thank you and enjoy the evening...we will see everyone on Friday morning for rehearsal.

Joshua Peterkin
