UPPER DARBY SCHOOL DISTRICT TO HOST ANOTHER COMMUNITY FORUM TO DISCUSS THE NEW CLIFTON HEIGHTS MIDDLE SCHOOL

Upper Darby School District Community Forum to be held on Monday, July 29th at 7:00 p.m.

Upper Darby, PA - Upper Darby School District, as it works to ease overcrowding in its elementary and middle schools, is continuing to engage the community and stakeholders on the district's plans. The Upper Darby School District is hosting another meeting in a series of school, community and school board meetings the school district has provided to engage the community, outline the project and provide updates on the Clifton Heights Middle School building project.

The forum will be held on Monday, July 29th at 7:00 p.m. at Westbrook Park Elementary School located at 199 Westbrook Drive, Clifton Heights, PA 19018. All community members are welcome and encouraged to attend the Community Forum.

The District remains open to working with the Borough and its constituents to come to a mutually beneficial resolution regarding the District's middle school project. "It is our hope that all parties involved focus on what is best for all of the students and families of our District and to do our utmost to address the adverse effects of overcrowding in classrooms and schools," says Daniel McGarry, Superintendent of Schools.
