GARDENS ARONIMINK CIVIC ASSOCIATION**

*Upper Darby School District meeting with the Pilgrim Gardens Aronimink
Civic Association will be held on August 20, 2019*

Upper Darby, PA - Upper Darby School District, as it works to ease overcrowding in its elementary and middle schools, improve facilities across the entire district, and alleviate the need to lease buildings outside of District boundaries, is continuing to engage the community and stakeholders on the District's multi-phase, multi-year facilities plan. As part of a series of school, community, school board and committee meetings, the district will meet with the Pilgrim Gardens Aronimink Civic Association to outline the renovation and expansion of Aronimink Elementary School and to provide the public with another forum to ask questions about the project. The meeting will be held on Tuesday, August 20th at 7:00 p.m. at Aronimink Elementary School. All community members are welcome and encouraged to attend.

The District remains committed to meeting its students' needs throughout the school district through its comprehensive facilities plan. "It is our hope that all parties involved focus on what is best for all of the students and families of our District and to do our utmost to address the adverse effects of overcrowding in classrooms and schools," says Daniel McGarry, Superintendent of Schools.
