

# PEEK AT THE WEEK

Room 210 Miss Hartigan WEEK OF: 02-22-2021

## LEARNING FOCUS

### ELA: I can...

- Access my online account for *Ed My Friend in Learning*
- identify and read high frequency words: clean, feel, ground, horse, leave, need, please, queen, seen, tree
- understand how to blend phonemes to say one-syllable words and distinguish between long and short vowel sounds in spoken one-syllable words.
- learn, blend, and decode words with the -e\_e, -ea, -ee, e(CV), y sound spellings.
- spell words with long e spelled with vowel teams -ee and -ea.
- discuss the author's purpose for writing text.

### MATH: I can....

- Review how to subtract fluently within 100 in preparation for the Topic 6 Assessment
- Show what I have learned about subtracting fluently on the Topic 6 Assessment
- Model problems using equations with unknowns in any position.
- Use drawings and equations to make sense of the words in problems.

### SCIENCE: I can...

- explain two properties of matter.
- identify states of matter.
- observe and describe the properties of 2 solids.
- describe the solids; kosher salt and toilet tissue.
- describe how each salt mixes with water.
- brainstorm 2 ways to separate the mixtures.
