

## Summer School 2025 Information

### Summer School Begins on Monday, June 23, 2025

Summer School classes are open to current students attending Upper Darby High School. All courses will be offered via the Upper Darby School District learning management system, Schoology. Summer School registration dates and deadlines are listed on the back of this form.

The fee for each summer school course is \$125. Students are limited to participating in two (2) courses at one time. *A third course may be taken with **written approval** from the student's grade-level Assistant Principal.*

All Summer School courses will be completed via Schoology. Students can either attend their scheduled session times in-person, or work remotely on Schoology and check in with their teacher either synchronously or asynchronously. Transportation is not provided for Summer School.

Students who successfully complete a Summer School course will earn credit for courses failed during the school year. Once a passing grade is achieved, the student's transcript will be adjusted.

To register, students must contact their counselor by phone or in person. For questions, please reach out via email to the counselors listed below.
