

# February

2019

## Weekly Newsletter

Hello Parents,

This week we read about famous African American musicians as part of our celebration of Black History Month. We discussed contributions to the genres of jazz, blues and soul. In fact, we played Aretha Franklin and B.B. King during worktime on Monday morning! We also made our own "Blues-berry" smoothies, which were quite popular and very fun to make. We ended the week by making up a trip to the market due to last week's weather. The students did a wonderful job and we are stocked for the month of February. Looking ahead, the Pennies for Patients contest is happening now, so please feel free to contribute if you'd like. Also, please reference the February calendar, as it is a busy month for our students. Thank you and have a nice weekend!

Sincerely,  
Jason Gonzalez
