Weekly Newsletter

Hello Parents,

Well, it looks as though we will not have a Super Bowl repeat of last year. That certainly did not stop us from having a great week at Westbrook Park Elementary! This week we read all about hobbies. It was great getting to learn about some popular hobbies, as well as what each student enjoyed doing as a hobby, or would like to pursue in the future. The recipe was also a smashing success, although it's hard to imagine turkey and cheese wraps not being popular. We were able to make it to the Upper Darby High School pool this week and had a great time swimming. We ended the week with a bit of inclement weather, as well as a delay. It's looking like we may have more cold and stormy weather over the weekend, so I hope you are all safe. Let us all enjoy the extended weekend and take time to appreciate what Martin Luther King, Jr. Day signifies as we move into next week.

Sincerely,
Jason Gonzalez
