Weekly Newsletter

Hello Parents,

Finally, a full week of school here at Westbrook Park Elementary School. This week we read about the importance of art education in schools. The students learned about drawing, coloring, painting and sculpting. We also made our final trip to the Upper Darby High School pool. The students did such a great job with swimming this year. I am hopeful we will be back next year. Toward the end of the week, we had our building-wide assembly to recognize students who have done an excellent job displaying good behavior through responsibility, respectfulness and safety. We had two students who were honored and rewarded with applause and their choice of a prize or activity. Finally, we ended our week with the bi-weekly trip to Westbrook Market to practice following directions, safety, making choices and money handling. I hope you all have a nice and hopefully warm St. Patrick's Day weekend!

Sincerely,
Jason Gonzalez
