Weekly Newsletter

Hello Parents,

We have had quite a laborious week here at Westbrook Park. We took advantage of the lack of humidity to add the pump and water to the pond, as well as clearing out the leaves and laying down decorative stone. You can see the finished product in the picture to the right. We will begin work on the upper pond shortly. We also weeded, raked and tilled the largest of the garden beds in preparation of adding tulip bulbs for the spring. We read about pumpkins this week, so Pumpkin Smoothies were made following our gardening. I was somewhat disappointed in the lack of pumpkin taste. The students were not very big fans of the recipe as a result. Finally, the first Rewards Assembly was held this week. We had one WoW Winner, as well as one Student of the Month. Everyone cheered and showed support. We will continue to work on positive behavior and school-wide respect, responsibility and safety. I hope you all have a great weekend!

Sincerely,
Jason Gonzalez
