Great News!

The PA Department of Education (PDE) has just informed us that they are changing the food service guidelines once again. We will now be able to provide free meals for ALL of our township children! These meals will not only be for our district students, but also for all children under the age of 6, and any child who lives in Upper Darby Township and attends other schools, including private, charter and cyber schools. The new plan will begin on September 14th.

All food is prepared by Aramark Food Services--the District's contracted food service provider. Any child, parent or guardian who resides in Upper Darby township may pick up 10 meals (5 breakfasts and 5 lunches) on Monday **or** Wednesday for the week between 11:00 am and 1:00 pm. Families may only pick up meals one time per week. Crossing guards, cafeteria staff, and school security will be on location for assistance. Meals may be picked up at any location listed below. If you are unsure as to your closest location, please refer to the visual examples in this document.

Some families have asked for early morning pick up times for working families. We will make every effort to accommodate those requests, and we will do so by appointment. Please email UDFood@upperdarbysd.org to schedule a morning pick up time at the high school.

Everyone must wear a mask when picking up meals, and practice social distancing while in line.
