

# Career Ready PA Backpack Challenge

Schools can register now and students can earn an artifact for their portfolio!

**MAY 6-16, 2021**

#RemakeDays  
#CareerReadyPA

Photos were taken pre-pandemic. Please wear a mask and follow safety protocols at events.

Remake Learning Days (RLD) is a multi-day festival designed for students and families to engage in the new ways of learning that youth experience when they make, code, play, design, and tinker. Career Ready PA is excited to uplift these events hosted by local schools, libraries, museums, tech centers, outdoor play spaces and other learning spaces by designating specific RLD events as opportunities for students to obtain artifacts for their career portfolio when they complete their participation.

**Register for the Backpack Challenge by April 30. Explore Career Ready PA events now!**
