October 2024 Edition

A Message from Principal Meehan

Hello Bywood Families!

This school year is off to a great start, and part of that is thanks to you, so thank you! I appreciate your help with having students complete homework assignments at home, and making sure that they are showing up to school every day. Attendance is so important in your child's growth and success at school!

October is here and hopefully some nice cooler weather is on the way too. We have a few events coming up this month so please be sure to check them out below. Thank you to all the parents who attended our Amira Night at Bywood, and all the parents who were able to attend the homework technology nights at the administration building. Bywood is such a special place and I love being able to show others how special it is as well.

Thank you for always supporting and encouraging your child's success in school!
