STUDENT ACCESS TO MENTAL HEALTH SUPPORTS

Student/parent/guardian informs a teacher, counselor or any staff member if they need support

Staff member will make referral to social worker/counselor or other staff, as appropriate

Students in grades K-12 may access school counselors at any time for school based counseling

Students may access the social worker in grades K-12 as needed

Teacher/counselor/social worker acquires parent permission for student to access services

Student has open and ongoing access to social work supports and services, as well as continued access to other student service personnel such as counseling services, psychological services and nursing services

Social work personnel and student service staff coordinate school services and supports with the following:

- Outside agencies
- SAP supports
- Partial hospitalization
- Mobile Crisis
- Coordination with other school supports
